Hello

Attached is a copy of the FOIA request, Noel's email to requester and the final letter. The CD should be there or on its way for your review of the documents.

Please have Dennis sign the letter and then FAX a copy of it back to me and I'll mail it out. The FAX is (206) 553-1753. If you have any questions or want to make changes to the letter, please call me.

Thanks so much,
